RACE TRACK, GRAVESEND, Sept. 13 .- Though the weather was fine and the card one that promised excellent sport, the attendance was not up to the mark here to-day.

The track was in excellent shape. The crowd, even if it was small in numbers, was a host in the ring. The bookles who do a percentage business made enough over the first event to pay all expenses of the day.

Ramapo was the favorite on public form, the talent playing him heavily. The Dwyer money went on Prince George, causing his price to drop from 3

at Horse Haven were down on him with both feet. Soundmore had a host of supporters a.so, but Lizzle and II-lime were friendless.

The feature of the race was the remarkable performance of the latter. He was in front to the backstretch, where Leudon headed him and forced him back into the bunch. Then, as they went around the turn. Prince George cut Illume off and he dropped back several lengths behind his field.

Illume made up the ground and at the furiong pole was again cut off by Loudon. Noble then took Illume to the outside, where he came along with a tremendous burst of speed and just nipped Loudon out of the place. He could not reach Prince George, however, who won in hand.

Dr. Hasbrouck again demonstrated what a great sprinter he is by conceeding Kingston five pounds and heating him in a canter. It was whispered about at the track to-day that the Board of Control would soon spring a surprise on the racing public. A meeting will probably be called on the return of John A. As the Board of Control now stands, there is nothing but a representation of race track proprietors, in whom the public has little faith. The next meeting of the Board will be awaited with in-

covered until the colt reached the paudock.

Red Manner and Evanatus were the
choices in the third race, but Tom
Tough, a 15 to 1 chance, upset all calculations by winning easily. His form
has vastly improved. Red Banner beat
Evanatus a neck for the place.
